Elevating Beauty,
Enhancing Wellness

At Anura, we believe that true beauty radiates from within, and wellness is a journey, not just a destination. Formerly known as Elvis Wellness Spa & Salon, we have evolved into a luxury wellness sanctuary that blends ancient healing traditions with modern self-care innovations.

Our philosophy is rooted in harmony, rejuvenation, and transformation. Inspired by the meaning of our name—“Anu” symbolizing inner beauty and “Ra” representing outer perfection—we create experiences that nourish both the body and the soul. More than just a spa, Anura is a curated space for renewal, where bespoke treatments, personalized care, & holistic therapies elevate your well-being. Every detail, from the soothing ambiance to the premium organic products, is designed to help you achieve balance, relaxation, and radiant beauty
